

FISCAL NOTE

HB 2285 - SB 2627

February 13, 2002

SUMMARY OF BILL: Adds facsimile communication to the definition of telephone solicitation under the DO NOT CALL PROGRAM. Prohibits unsolicited faxes to residential fax machines if the number is listed on the DO NOT CALL register.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Not Significant

Increase State Revenues - Not Significant

For information purposes this would not apply to business numbers. It is estimated there are relatively few dedicated residential fax machines to generate complaints under this bill. Any additional expenditures for enforcement or additional revenues from annual fees is estimated to be not significant.
